ABOUT NAVUG:

The Dynamics NAV User Group is an independent community focused on end-user education, training and networking. NAVUG is recognized by Microsoft as the official user group for Microsoft Dynamics NAV.

Education and Training

Each year, NAVUG offers hundreds of recorded, virtual, and live educational opportunities focused on current and previous versions of Dynamics NAV. In addition, NAVUG provides industry and role-based education, new product release training and additional solutions available to optimize your software environment.

Peer-To-Peer Networking

The connections formed through virtual and in-person networking are invaluable and rated as the #1 benefit by NAVUG Members. Members use their peers within the community to resolve issues, learn best practices and gain tips that propel their use of Dynamics NAV. Whether it is through the 24/7 online forum, local chapter meetings or national events, the connections made are proven to save time and money by tapping into the expertise of other Dynamics NAV users.

Power of the Mob

NAVUG is independent from Microsoft. However, the close working relationship positions NAVUG to be a collective voice to Microsoft on user concerns, needs, and requests.
